PRATHIBA AKKINAPELLY

Hyderabad| +91 6301832293 | prathibaakkinapelly@gmail.com | Linkedin:-Prathiba Akkinapelly

PROFESSIONAL SUMMARY

A highly motivated 3rd-year BE Artificial Intelligence and Machine Learning student with a strong foundation in Python, C, SQL, Java, and Data Structures. Passionate about real-time projects and hands-on learning, with a keen interest in applying AI and ML concepts to solve practical challenges. Possesses excellent problem-solving skills, adaptability, and a drive for continuous learning. Eager to contribute technical expertise and innovative thinking to real- world applications.

EDUCATION

Vasavi College of Engineering, Hyderabad | 2023-Present
Bachelor of Engineering- Computer Science Engineering (AI/ML) | CGPA: 9.02

Alphores junior College, Karimnagar | 2021-2023
Intermediate- MPC | Percentage: 98.9

TECHNICAL SKILLS

Programming Languages: C, Python, Java, JavaScript

Web Technologies: HTML, CSS, React

Database Management: SQL

Soft Skills: Problem Solving, Critical Thinking, Frontend Development

Operating Systems: Windows, Linux

Core Competencies: Data Structures & Algorithms, Object-Oriented Design, Problem Solving, Team Collaboration, Project Management

Frameworks: React, Node.js, Flask

PROJECTS

- **AI-POWERED INTERNSHIP RECOMMENDATION SYSTEM :** Developed a machine learning-driven web application that analyzes user educational background, skills, and preferences to deliver personalized internship recommendations from a database of over 10,000 opportunities. Implemented a lightweight Flask backend with Python to process complex algorithms efficiently.
  Technologies: Python, Flask, Machine Learning, HTML, CSS, JavaScript, NLP, Web Development, Backend Development, Responsive Design.
  Git HUB Link : https://github.com/prathibaakkinapelly/Internship_Portal
- **AI TRIP PLANNER :** Developed an AI-powered travel planning web application that generates personalized itineraries based on user preferences such as budget, duration, interests, and destination. Implemented intelligent recommendation algorithms and an interactive UI to deliver optimized travel plans instantly**.**

CERTIFICATIONS

Cisco: C

NPTEL: Database Management System, Java

Infosys Spring Board: Python, Java, AI, Deep learning, NLP.

Hacker Rank: Python (Basic), Java (Basic), SQL (Basic)

Co-Curricular Activities

- Participated in coding contests, improving algorithmic and programming skills.
- Worked on AI and web development projects demonstrating leadership and collaboration.
- Engaged in multiple hackathons, contributing innovative ideas and problem-solving solutions
